FINAL INVOICE/CLOSEOUT PACKAGE

**There are 2 important dates requiring submission of the final fiscal report package and the financial closeout report package. The documents your agency shall submit are outlined below.**

**FINAL FISCAL REPORT PACKAGE (JUNE 2010 INVOICE)**

Fiscal Year 2009-2010 services provided by your agency under the WIA Contract(s)/Amendment(s) executed with your agency ends as of June 30, 2010 and all fiscal reports (i.e., Request for Cash and Funding Requisition) must be submitted no later than **Tuesday July 6, 2010**. Please submit a complete set of the fiscal report package by that date. Included in the package are the following documents:

**1. June 2010 Request for Cash**

Please complete and submit the Request for Cash report, which is used as a summary to capture Program expenditures and request reimbursement for June 2010 services rendered (i.e., the Request for Cash report contains expenditure information that is obtained from the Monthly Funding Requisition). and note that the amount requested for reimbursement must match the total amount on the Monthly Funding Requisition.

**2. June 2010 Fiscal Invoice and June 2010 Monthly Funding Requisition**

Please complete the Monthly Funding Requisition. Please ensure that the June 2010 Monthly Funding Requisition accurately reflects all **actual and accrued expenditures incurred** during the period of performance commencing on July 1, 2009 through June 30, 2010 (i.e., the June 2010 invoice shall capture all costs associated with the operation of the Program for FY 2009-10). **Expenditures NOT reported on the final Monthly Funding Requisition shall NOT be reimbursed to your agency with the Financial Closeout Report** (i.e., once your agency submits the June 2010 invoice, CSS will process and remit the final payment to your agency and no other payments will be made for FY 2009-10 services). Costs incurred for services rendered under the Contract after the closeout period that ends on June 30, 2010 will be disallowed. Please share this information with your agency's subcontractors (if any) to ensure that all billing is completed/submitted timely to meet the deadline.

Failure to submit the final fiscal report package by **July 6, 2010** will severely delay processing of your agency's payment(s) and CSS may place your agency on fiscal probation.

**FINANCIAL CLOSEOUT REPORT PACKAGE**

The financial closeout report package is due by **Monday, July 26, 2010**. Please submit a complete set of the financial closeout report package by that date. Included in the package are the following documents:

If Line 3 is less than Line 2, an overpayment was made to your agency and the overpaid amount shall be reimbursed to CSS.
